

PT Berkat Samudra Gemilang Lines (hereinafter called COMPANY), acting on behalf of PT LNG Nias Gasifikasi ("PT LNG"), a Special Purpose Company (SPC) duly established by PT PLN Energi Primer Indonesia and PT Berkat Samudra Gemilang Lines, hereby invite applications from experienced and capable entities to participate in the Pre-Qualification process for collaboration in the development of LNG infrastructure in the Nias area. This Pre-Qualification invitation provides an overview of:

1. The opportunity to engage in the newbuild of an LNG Carrier 3,000 CBM to support the operations of LNG infrastructure for Gas Power Plant in Nias, North Sumatera.
2. Indicative technical and financial requirements pertaining to Applicant capabilities.
3. Other essential information regarding Pre-Qualification requirements.

The primary objective of this Pre-Qualification process is to identify and select Qualified Applicants to be listed on the Shortlist and carry out the COMPANY's project for LNG infrastructure.

Applicants may register and obtain the Pre-Qualification (PQ) documents at:

- Website : <https://docs.google.com/forms/d/e/1FAIpQLScznbB1dJGI9W4oAwHnughZujFiv6zgX1uDkKpUgBtE5JAfmQ/viewform?usp=preview>

(or Scan barcode)

- Registration : 11th-17th March 2026 (until 23:59 Jakarta Time)
Period

Upon successful and complete submission of the registration form, the PQ Documents will be distributed to Applicants via email address provided during registration.

For any inquiries, please contact us at procurement.nias@jsk.co.id.
